BUREAU OF ANIMAL INDUSTRY.

A. D. MELVIN, CHIEF OF BUREAU.

SERVICE AND REGULATORY ANNOUNCEMENTS.

JULY, 1916.

[This publication is issued monthly for the dissemination of information, instructions, rulings, etc., concerning the work of the Bureau of Animal Industry. Free distribution is limited to persons in the service of the bureau, establishments at which the Federal meat inspection is conducted, public officers whose duties make it desirable for them to have such information, and journals especially concerned. Others desiring copies may obtain them from the Superintendent of Documents, Government Printing Office, Washington, D. C., at 5 cents each, or 50 cents a year. A supply will be sent to each official in charge of a station or branch of the bureau service, who should promptly distribute copies to members of his force. A file should be kept at each station for reference.]

NOTICE REGARDING MEAT INSPECTION.

PASTEURIZATION OF DAIRY PRODUCTS USED IN OLEOMARGARIN.

Milk and cream used in the preparation of oleomargarin should be pasteurized and the butter used for this purpose should be made only from pasteurized products. The owners and operators of official establishments where oleomargarin is prepared should take immediate steps to insure the pasteurization of all milk and cream used in preparing oleomargarin, and after the present year all butter used in oleomargarin shall be made from pasteurized products. This advance notice respecting butter is given in order that contracts for purchases may be made accordingly.

PUBLICATIONS IN JULY.

[The bureau keeps no mailing list for sending publications to individual employees, but publications are sent in bulk to inspectors in charge for distribution to members of their forces. The number of copies varies with the subject or nature of the publication and the number and class of employees. For example, in the case of a publication on a veterinary subject, sufficient copies are sent for the veterinarians. Inspectors in charge will use their judgment and distribute publications to best advantage. Additional copies will be furnished on request so far as possible.]
